i love jolie

(this costs
a stamp,)

8-26-03

the "i love jolie" newsletter is
 gonna be a monthly mini-zine
 about whatever i feel like writing
 about... with the occasional interview
 or review once in a while... it's basically
 anything goes"... this one is mostly
 about ME! an introduction to me

but future issues will
 have a lot more substance
 i SWEAR! it only took me
 a week to throw this one
 together & i totally ripped
 off the format from
 Kerinna from "rockstar
 words" i just thought it
 was cool so i wanted
 to try it. this is
 called "i ♥ jolie" beca

about 4 years ago Leah from
 TEEN ANTHEM RECORDS
 made "i ♥ jolie" pins to promote
 my spoken word cd on
 her label - so that's where
 the name comes from..

OK - So: ON WITH
 THE SHOW!!
